**P**astor's Paragraphs

**Pentecost Sunday**

"'Rivers of living water will flow from within him who believes in me.' He said this in reference to the Spirit." Rivers of living water. What does this image make us think of? Something active. Something dynamic and changing, yet constant and dependable. A river with living water is not stagnant; it is not silent, but rather it speaks. This river is not mucky or full of algae. This river is clear, beautiful, refreshing, and life-giving. It draws people to its banks by providing the kind of water that sustains life and the kind of scenery that is a joy to behold.

Those who believe in Jesus will be like this river. Through the Spirit of Christ, which first came upon Christian believers at Pentecost and which came upon us at our baptism, we become a source of "living water." Instead of being motionless, dull, murky, unproductive people, we are strengthened by God's power to be dynamic, refreshing, and life-giving.

This isn't automatic, however. We must cooperate with the Spirit that has been given to us. Those of us who have received confirmation have been sacramentally gifted with the fullness of the Spirit, but that doesn't mean that the living water is flowing at full speed. As St. Paul wrote in his second letter to Timothy, we need to "stir into flame the gift of God" (1:6). The flame may be there, but if we don't fan it through prayer, virtuous living, spiritual formation, and frequent reception of the sacraments, then it will never burst forth with the full power that it could have. But let us take heart! Even this process of "fanning" is made easier when we call upon the Holy Spirit to help us. For St. Paul reminds us today that "the Spirit too comes to the aid of our weakness."

**Jesus said to his disciples: "When the Advocate comes whom I will send you from the Father, the Spirit of truth that proceeds from the Father, he will testify to me."  
John 15:26**

"Pope Francis has captivated the world with his humility, warmth and compassion for each person. Vivid accounts of his tenderness for "the least of these"—the elderly, the imprisoned, those with disfiguring disabilities, the unborn and many more—seize our attention. Why? At the heart of each of these interactions is a truth which resonates in our hearts, revealing to us something essential to understanding ourselves and our purpose. We are loved."
